Objective:

Dedicated professional with a background in civil engineering and experience as a technical sales representative. Currently pursuing a career transition into software solutions, enrolled in a MERN stack full-stack development course and having completed the Full Stack Developer Program from Guvi. Seeking opportunities to leverage my diverse skills and drive for success in the software industry.

Education:

- Bachelor of Science in Civil Engineering
  Rajalakshmi Engineering College
  March, 2018

Professional Experience:

Technical Sales Representative
Thulasi Enterprises
(March 2020 - Present)

- Demonstrated exceptional communication and customer relationship management skills.
- Provided ongoing support to clients after the sale, addressing technical issues, and ensuring customer satisfaction.
- Collaborated with clients to understand their needs and provided technical solutions.
- Achieved sales targets and contributed to the company's revenue growth.

Key Expectations:

- Skill Development: Aiming to excel in MERN stack development.
- Career Growth: Eager to explore new opportunities in the software industry.
- Problem-Solving: Bringing a diverse problem-solving perspective to software development.
- Adaptability: Staying current with industry trends and emerging technologies.
- Job Satisfaction: Aspiring to find fulfilment in meaningful software projects.
- Networking: Building a professional network in the software industry.
